

Places to call home, Places to learn, Places to get some help

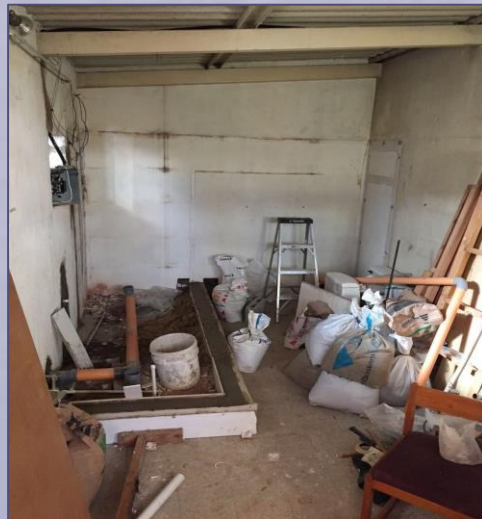

Beds – Not a Given in Guatemala

Kids Room Updates

A generous donation allowed us working on a **room for the teens** (thankyou!)

Then

Now

Today the talented Guatemalan construction gurus continue to work on making the space a toddler's dream come true.

Sustainable Projects – Recycling Center

We've set up our own recycling station for the community and the kids!

High School – Out of Reach for Most

Alejandra and Josue reached the limits of public school education in October, but thanks to generous donors from the Guatemala Aid Fund in December of 2016 and January of 2017 they are continuing their studies!

Donations contribute to **healthy meals** and snacks

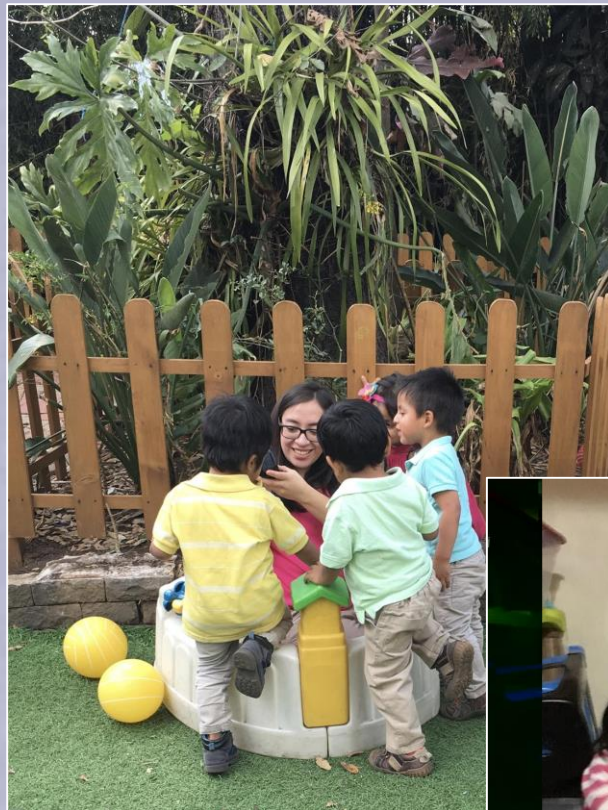

We were blessed to have had many **volunteers and visitors** in 2016 bringing caring activities and donations that make our work possible.

The Amazing Nannies

The Loving Staff

Nap Time

The boys love helping to fold clothes before bedtime.
