

# TOGETHER WE CREATE HAPPY CHILDHOODS

***Mollys &  
Minnie Mouse***

The sisters arrived as toddlers.

They were victims of child labor and begged for money at stoplights. While they worked, they were given bottles of sugar and water to keep them feeling full.

We have been providing them with healthy food and making sure they visit the dentist regularly.

# MINNIE MOUSE!

Minnie is a very bright and friendly pre-schooler!

Before she could speak, she understood everything. She helped the nannies pick out clothing for the other toddlers and was the leader at play time.

Her nickname is Minnie Mouse because she liked Disney clothing and wore her hair in two pig tails that looked like little mouse ears.

During the time she has been in our care, we have worked to make sure she has everything she needs for healthy development, surrounded by a family that loves her.

The most important part of our work is ensuring that our children have a childhood full of dignity and joy.

# LA MOLLYS!

Mollys is incredibly strong and determined!

When she came to our Home, she didn't trust anyone. Over time we created a relationship of love and laughter and now she knows she can trust her family at Fátima.

She is the type of child that brings a smile to your face just by watching her play.

She looks out for (and picks on) her little sister and is a whiz at putting together puzzles.

After three years in our care, the court has located extended family members who are willing and able to take care of the girls. We are very grateful for the opportunity we had to care for them in their time of need.
